STONY HILL STABLES FOUNDATION

Stony Hill Stables Foundation

Stony Hill Stables Foundation is a non-profit 501 C(3) organization incorporated for the express purpose of creating positive education and recreational experiences in equine sports for the residents of the East End of Long Island.

Mission Statement

To promote equine sports education and recreation by offering scholarships to learn equestrian skills, good sportsmanship and horse care. By doing so we create essential opportunities for children to connect with other people with similar interests, and to learn and grow physically, emotionally and socially.

The program is designed to give back to the community by providing equine facilities for a community equestrian program that will facilitate the growth and maintenance of equestrian sports on the East End and provide a place that is safe and inclusive.

Scholarships and Professional Development Programs

Scholarships are awarded for the express purpose to advance horsemanship education, good sportsmanship, knowledge of horse care and social connections with others in competition and clinics. Scholarships are tailored to each applicant based on their level of experience and ability. The Scholarship Committee will create the best program for each child.
